THE CHURCH TRAIL - OLD CHURCH

Notable features

The first thing you notice about the Old Church is its size: tiny. It is thought to be in the country at 6½m long and 3½m wide. It stands by the door (as in the picture) it looks like a church in Godshill Mode

Outside There is an old lamp post at the one in Narnia. You now step down this shows us how things get buried over are lots of different types of gravestones

Inside The inside is very plain, there is glass window. So it is easy to imagine ago.

The origins of the church

We do not know very much about the have not survived.

The first evidence is that it belonged to the it is much older.

St Lawrence's saint's day is 10th August. That light the night sky every year at that St Lawrence.

The Victorian period and after

In the Nineteenth Century more people began to live in St Lawrence because it was better for your health than living in a dirty city.

The churchyard was too small to make St Lawrence Church any larger, so a new one was built on the road.

How many features can you spot at St Lawrence's Old Church?
