Summarising information

## Summarising Train Story!

#### STUDENT INTRODUCTION

- Summarising is an important skill that allows you to demonstrate your understanding of a subject or of specific information in a coherent yet succinct way.
- This task enables you to practise summarising new knowledge you will find out at the *Train* Story exhibition.

### Your Challenge

- ✓ Visit the Train Story exhibition at the Isle of Wight Steam Railway
- ✓ Make notes on the information you find out under the questions on this page
- On page 2, summarise the information you have learned (using your notes) under the headings

# Teaching resources by Education Destination Ltd.
