

Discover the Dinosaurs! Hunt for answers in the Dino hunt challenge

Student Introduction

- ▶ Dinosaur Isle is an interactive educational museum
- ▶ The museum exhibits show us what the world of the dinosaurs was like, as well as the the world before and after they existed

Can you use the museum resources to find out about the history of the dinosaurs and other creatures that existed?

- ▶ As you walk through the museum, your challenge is to discover the past!
- ▶ You'll work your way back to the age of the dinosaurs as you progress around the museum!
- ▶ Answer as many questions as you can and see if you can pass the Dinosaur Isle hunt challenge!

THE CHALLENGE! Teaching resources by Education Destination Ltd.

As you enter the museum, a voice speaks...

1. How many time zones will you explore before you reach the time of the dinosaurs?

4. What is this?

Curriculum relevant materials supporting school trips to the Isle of Wight

Book today with Education Destination and get full access to this and hundreds more quality resources

www.edudest.uk

Explore the corridor...
