why it should be supported.

OR

Task 2

You are to produce a piece of work discussing the following statement:

The Donkey Sanctuary is not worth supporting.

You cannot proceed with either of these tasks until you have gathered sufficient information to support your case. Therefore, during your visit, you will need to collect evidence to support your point of view.

In the case of the second option you will need to visit with an open mind, collect evidence and only decide your own point of view at the end.
