- ✓ You will be going on a visit to The Isle of Wight Donkey Sanctuary so that you can find out enough information.
- ✓ Look at the pictures on the website with your teacher.

First you need to plan some of the questions you will need to ask.

A good investigator will always start with a few good questions planned out.

Start with

### What? Where? When?

to get the basic facts.

For some help, complete these questions:

\_\_\_\_\_ is the Donkey Sanctuary?

\_\_\_\_\_ is the Donkey Sanctuary?

Now think up your own **What? Where? When? Which? Who?** questions:

\_\_\_\_\_?

\_\_\_\_\_?

### How? and Why?

These questions will help you to find out explanations and reasons.

For some help, complete these sentences:

\_\_\_\_\_ do the donkeys get there?

\_\_\_\_\_ do they come to the Donkey Sanctuary?

Now think up your own **How? or Why?** question:

\_\_\_\_\_?

Can you think of any more things you would like to find out?

- 1.
- 2.
- 3.

Remember that a good researcher always asks more questions when they are on-site. Now write up your final questions on the following pages, leave spaces for more questions, and of course, leave plenty of space for your answers.
