**YOU CAN'T TAKE OUR LOVELY DONKEYS HOME...
...BUT YOU CAN ADOPT ONE!**

ARCHIE

Archie is the youngest donkey on the Adopt a Donkey list and came to us as a very timid youngster. He has now made excellent progress since coming to the Sanctuary and has made many friends - donkeys and human alike! He is a cheeky youngster who loves to run around the fields playing with the other donkeys on the farm.

BRANDY

Brandy was rescued as a small foal with his companion Snowy. He had been taken from his mother at less than three months of age and was sold at a market. When he came to the Sanctuary he was very weak but with the 24 hour care given to him, he has grown into a very confident and strong, healthy adult donkey. He is still firm friends with Snowy and runs with all the other donkeys out in the fields.
