Decide on one thing at Robin Hill which you thought was absolutely brilliant!

In small groups, prepare a talk on the best ride, activity or something in one of the play or nature areas at Robin Hill

Your speech will be delivered to students in key stage one and they will decide which activity sounds the most exciting!

Get your selling hats on to beat the competition!

IN SMALL GROUPS:

- » Write a speech to try to persuade key stage one students of the best ride or activity at Robin Hill Country Park.
- » Describe your best activity in a fun and interesting way - make sure that your audience is excited by what you say.
- » Remember how people use language to sell their ideas and use these techniques to try to persuade everyone that your chosen activity or ride is best!
- » Use the photographs or video on the Robin Hill website to help you (or your own pictures if you took some).
- » Remember your goal - you want them to choose your ride or activity as the best!
