TASK

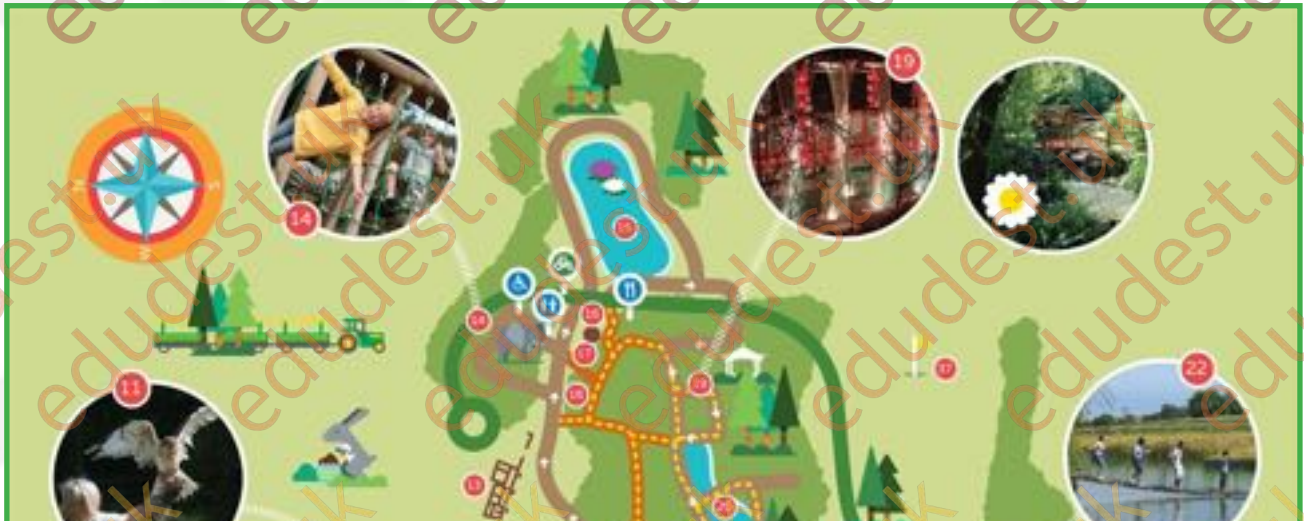

the location.

- ✓ You will have to decide which features of the park which you need to include (as instructed by your teacher) and how to represent them clearly on your sketch map.

THINGS TO CONSIDER:

1. Who are you creating your map for?
2. Is it to include in a Robin Hill leaflet?
3. Is it targeted at children or adult users of the park?
4. How will your map reflect the needs of the user?
5. Could you include quizzes and activities for children to complete?
6. How you present your page is up to you - how will you structure it?
7. Think about what you would like to see on your page because you are writing for children of your age!
