

Miniature Marvels! Understanding scale at The Model Village

STUDENT INTRODUCTION

- ▶ At school you measured your classroom and reduced it to 1/10 scale.
- ▶ All of the buildings at the model village are 1/10 scale too!
- ▶ At the model village, take some measurements of one of the buildings.
- ▶ When you get back to school you may need to use these measurements!

What is its name? _____

Draw a picture of the front. Add windows, doors and anything else you can see. If you have a camera, take pictures too!

STEP TWO - FIND THE DIMENSIONS

Use a tape measure to find the lengths shown by the arrows. Use centimetres (cm) not inches.

Are there any other measurements you might need? Write them here.

Hint: Think about the sizes of windows and doors. Also think about where they are on the house.
